

COMPENDIUM OF WORKERS' COMPENSATION STATISTICS AUSTRALIA 2002–03

JANUARY 2006

Australian Government

**Department of Employment and
Workplace Relations**

Office of the Australian Safety and
Compensation Council

Contents

Foreword	iii
Acknowledgements	iv
Executive summary	5
Part A: Trends over time, 1996–97 to 2002–03p	7
Figure 1a Number of new claims	7
Figure 1b Incidence rate of new claims	7
Figure 1c Frequency rate of new claims	8
Compensated claims by gender	8
Table 1a New claims: number, incidence rate and frequency rate by type and gender	9
Compensated claims by age of employee	10
Table 1b New claims: number, incidence rate and frequency rate by age group	11
Compensated fatality claims	12
Table 2 Compensated fatalities: number and incidence rate	12
Compensated claims by industry	12
Table 3a New claims: number, incidence rate and frequency rate by industry	13
Table 3b New claims: median time lost and median direct cost by industry	14
Compensated claims by nature of injury or disease	15
Table 4a New claims: number by nature of injury or disease	15
Table 4b Median time lost and direct cost per new claim by nature of injury and disease	16
Compensated claims by mechanism of injury or disease	16
Table 5a New claims: number by mechanism of injury or disease	17
Table 5b Median time lost and direct cost by mechanism of injury and disease	17
Part B: Compensated fatalities, 2002–03p	19
Compensated fatalities by gender	19
Compensated fatalities by industry	19
Figure 2 Number of compensated fatalities by industry, 2002–03p	20
Compensated fatalities by occupation	20
Figure 3 Number of compensated fatalities by occupation, 2002–03p	20
Compensated fatalities by age	21
Figure 4a Number of compensated fatalities by age group, 2002–03p	21
Figure 4b Incidence rate of compensated fatalities by age group, 2002–03p	21
Figure 4c Frequency rate of compensated fatalities by age group, 2002–03p	22
Compensated fatalities by nature of injury or disease	22
Figure 5 Number of compensated fatalities by nature of injury or disease, 2002–03p	22
Compensated fatalities by mechanism of injury or disease	23
Figure 6 Number of compensated fatalities by mechanism of injury or disease, 2002–03p	23
Compensated fatalities by breakdown agency	23
Figure 7 Number of compensated fatalities by agency of injury or disease, 2002–03p	24
Part C: Summary of new claims, 2002–03p	25
New claims by industry	25
Table 6 New claims by industry, 2002–03p	25
Figure 8a Incidence rate of new claims by industry, 2002–03p	26
Figure 8b Frequency rate of new claims by industry, 2002–03p	26
New claims by occupation	27
Table 7 New claims by occupation, 2002–03p	27

Figure 9a	Incidence rate of new claims by occupation, 2002–03p	27
Figure 9b	Frequency rate of new claims by occupation, 2002–03p	28
New claims by age		28
Figure 10a	Number of new claims by age, 2002–03p	28
Figure 10b	Incidence rate of new claims by age, 2002–03p	29
Figure 10c	Frequency rate of new claims by age, 2002–03p	29
New claims by the nature of injury or disease		29
Figure 11	Proportion of new claims by nature of injury or disease, 2002–03p	30
New claims by bodily location of injury or disease		30
Figure 12	Proportion of new claims by bodily location of injury or disease, 2002–03p	30
New claims by mechanism of injury or disease		31
Figure 13	Proportion of new claims by mechanism of injury or disease, 2002–03p	31
New claims by breakdown agency of injury or disease		31
Figure 14	Proportion of new claims by agency of injury or disease, 2002–03p	32
Part D: Priority industry profiles		33
Agriculture, forestry and fishing		33
An overview		33
Fatalities		33
Table 8	Agriculture, forestry and fishing industry: number of fatalities	33
Figure 15	Agriculture, forestry and fishing industry: fatality incidence rate by age group	34
The incidence rate for all compensated claims		34
Table 9	Agriculture, forestry and fishing industry: incidence rate	34
Characteristics of claims		35
Figure 16	Agriculture, forestry and fishing: median time lost	35
Figure 17	Agriculture, forestry and fishing: median cost of claims	36
Cost and duration of claims		36
Construction		37
An overview		37
Fatalities		37
Table 10	Construction industry: number of fatalities	37
Figure 18	Construction industry: fatality incidence rate by age group, 2002–03p	38
The incidence rate for all compensated claims		38
Table 11	Construction industry: incidence rate by industry group	38
Characteristics of claims		38
Cost and duration of claims		39
Figure 19	Construction industry: median time lost	39
Figure 20	Construction industry: median cost of claims	39
Health and community services		40
An overview		40
Fatalities		40
Table 12	Health and community services industry: number of fatalities	40
Figure 21	Health and community services industry: average annual fatality incidence rate by age group, 1997–98 to 2002–03p	41
The incidence rate for all compensated claims		41
Table 13	Health and community services industry: incidence rate	41
Characteristics of claims		41
Cost and duration of claims		42

Figure 22 Health and community services industry: median time lost	42
Figure 23 Health and community services industry: median cost of claims	42
Manufacturing.....	43
An overview	43
Fatalities	43
Table 14 Manufacturing industry: number of fatalities	43
Figure 24 Manufacturing industry: fatality incidence rate by age group, 2002–03p	44
The incidence rate for all compensated claims.....	44
Table 15 Manufacturing industry: incidence rate.....	44
Characteristics of claims	44
Cost and duration of claims.....	45
Figure 25 Manufacturing industry: median time lost.....	45
Figure 26 Manufacturing industry: median cost of claims	45
Transport and storage	46
An overview	46
Fatalities	46
Table 16 Transport and storage industry: number of fatalities.....	46
Figure 27 Transport and storage industry: fatality incidence rate by age group, 2002–03p ..	47
The incidence rate for all compensated claims.....	47
Table 17 Transport and storage industry: incidence rate.....	47
Characteristics of claims	48
Cost and duration of claims.....	48
Figure 28 Transport and storage industry: median time lost	48
Figure 29 Transport and storage industry: median cost of claims.....	48
Part E: Feature article — The mechanisms <i>Hitting and Being hit</i>.....	49
Priority mechanisms	49
Figure 30 Distribution of claims by mechanism, 2002-03p.....	49
Injury claims resulting from <i>Hitting and Being hit</i>	50
Table 18 Hitting and Being hit: non-fatal and fatal claims.....	50
Characteristics of employees	51
Figure 31 Hitting and Being hit: age and gender of employees, 2002-03p	51
Figure 32 Hitting and Being hit: frequency rate by age and gender of employee, 2002–03p ...	51
Figure 33 Hitting and Being hit: distribution of claims by industry, 2002-03p	52
Figure 34 Hitting and Being hit: distribution of claims by occupation, 2002-03p	52
Type of injury	53
Figure 35 Hitting: the six most common types of injury, 2002-03p.....	53
Figure 36 Being hit: the six most common types of injury, 2002-03p	53
The cause of injuries	54
Figure 37 Hitting: distribution of claims by breakdown agency, 2002-03p	54
Figure 38 Being hit: distribution of claims by breakdown agency, 2002-03p.....	54
Median time lost from work and cost of claims.....	55
Table 19 Hitting and Being hit: median costs of claims and time lost from work, 2002-03p...	55
APPENDICES	56
Appendix 1 - Background	56
Appendix 2 - Explanatory Notes	57
