CHECKLIST:

What can I do to keep my workers safe at the

workplace and limit the spread of COVID-19?

1.	Working from home		Review regular deliveries and request
	Assess who can do their jobs from home. Give those workers the option to do so.	_	contactless delivery. Check systems for e-invoicing are in place.
	Provide guidance to your workers on how		Provide social distancing markers on the floor in areas where customers line up or where workers perform tasks.
	to set up a safe home work environment (see, for example, <u>SWA's working from home information and diagrams</u>).		Nominate a person on the work floor to be responsible for keeping everyone the required 1.5 metre distance apart in accordance with the latest government requirements.
	Require workers to complete a self-assessment checklist to ensure they comply with good ergonomic practices		
	(an example is <u>Comcare's Working from home checklist</u>).	3.	Handwashing and hygiene
	Appoint a contact person in your business that workers can talk to about any concerns.		Have hand sanitiser stations at entry and exit points and around the workplace.
	Set up ways to communicate with workers online (e.g. through Skype or Zoom) and		Ensure bathrooms are well stocked with hand wash and paper towel.
	communicate with them daily.		Put up posters with instructions on how to hand wash/hand rub.
	Provide information to workers about the supports available to them, for example through an employee assistance program.		Instruct workers on other ways to limit the spread of germs, including by not touching their face, sneezing into thier
2.	Physical distancing		elbow, and staying home if feeling sick.
	Put up posters around the workplace on keeping at least 1.5 metres distance between everyone at the workplace.		Have automatic alerts set up on computer systems to remind workers about washing hands and not touching eyes, nose and face
	Erect signs at the entrances to lifts and meeting rooms to ensure the maximum safe capacity is not exceeded.		Instruct your workers to limit contact with others- no shaking hands or touching objects unless necessary.
	Move work stations, desks and tables in staffrooms further apart to comply with social distancing.		If possible, accept only cashless transactions.
	If possible, bring in shift arrangements so		Increase access to closed bins in your workplace.
	Instruct workers to have meetings by phone or online instead of in person. If not possible require they meet in a large		Put up signs to request customers only touch objects they are going to buy.

space and keep meetings short.
