

FOR EVERYONE'S SAFETY, WORK SAFELY

safe work australia

Let's put down the tools and
talk work health and safety.

SafeTradies Talk Toolbox Team Together event

#SafeTea #SafeWorkMonth

When?

Date:

Where?

Location:

This event will be held online: Yes | No

A safe and healthy workplace is more easily
achieved when everyone is involved in identifying
any risks to health and safety, so let's have a chat.

Together we can identify hazards, talk about
health and safety concerns and work together to
find solutions. Share your views so we can create
an environment where work is safe for everyone.
