**MYTHS  
BUSTED!**

safety is  
*everyone's*  
business

## FACT:

You have a duty to manage the health and safety of your workers through risk management.

All workplaces have risks. In 2022-23, over **50% of serious workers' compensation claims** were from **body stressing (32.7%)** and **falls, trips and slips (21.8%)**.
