198 Issue of non-disturbance notice

An inspector may issue a non-disturbance notice to the person with management or control of a workplace if the inspector reasonably believes that it is necessary to do so to facilitate the exercise of his or her compliance powers.

199 Contents of non-disturbance notice

(1) A non-disturbance notice may require the person to:

(a) preserve the site at which a notifiable incident has occurred for a specified period; or

(b) prevent the disturbance of a particular site (including the operation of plant) in other circumstances for a specified period that is reasonable in the circumstances.

(2) A non-disturbance notice must specify the period (of no more than 7 days) for which it applies and set out:

(a) the obligations of the person to whom the notice is issued; and

(b) the measures to be taken to preserve a site or prevent disturbance of a site; and

(c) the penalty for contravening the notice.

(3) In subsection (1) a reference to a site includes any plant, substance, structure or thing associated with the site.

(4) A non-disturbance notice does not prevent any action:

(a) to assist an injured person; or

(b) to remove a deceased person; or
200 Compliance with non-disturbance notice

(1) A person must not, without reasonable excuse, refuse or fail to comply with a non-disturbance notice issued to the person.

In the case of a body corporate—$250,000.

(2) Subsection (1) places an evidential burden on the accused to show a reasonable excuse.

201 Issue of subsequent notices

If an inspector considers it necessary to do so, he or she may issue 1 or more subsequent non-disturbance notices to a person, whether before or after the expiry of the previous notice, each of which must comply with section 199.

Except as provided in section 206, a notice issued by an inspector may only be varied or cancelled by the regulator.

208 Formal irregularities or defects in notice

A notice is not invalid only because of:

(a) a formal defect or irregularity in the notice unless the defect or irregularity causes or is likely to cause substantial injustice; or

(b) a failure to use the correct name of the person to whom the notice is issued if the notice sufficiently identifies the person and is issued or given to the person in accordance with section 209.
209 Issue and giving of notice

(1) A notice may be issued or given to a person:

(a) by delivering it personally to the person or sending it by post or facsimile or electronic transmission to the person's usual or last known place of residence or business; or

(b) by leaving it for the person at the person's usual or last known place of residence or business with a person who appears to be over 16 years and who appears to reside or work there; or

(c) by leaving it for the person at the workplace to which the notice relates with a person who is or appears to be the person with management or control of the workplace; or

Division 5 Remedial action

211 When regulator may carry out action

(1) This section applies if a person to whom a prohibition notice is issued fails to take reasonable steps to comply with the notice.

(2) The regulator may take any remedial action the regulator believes reasonable to make the workplace or situation safe after giving written notice to the person to whom the prohibition notice was issued of:

(a) the regulator's intention to take that action; and

(b) the owner's or person's liability for the costs of that action.

212 Power of the regulator to take other remedial action

(1) This section applies if the regulator reasonably believes that:

(a) circumstances in which a prohibition notice can be issued exist; and

(b) a prohibition notice cannot be issued at a workplace because, after taking reasonable steps, the person with management or control of the workplace cannot be found.

(2) The regulator may take any remedial action necessary to make the workplace safe.
213 Costs of remedial or other action

The regulator may recover the reasonable costs of any remedial action taken under:

(a) section 211 from the person to whom the notice is issued; or

Note

See the jurisdictional note in the Appendix.

216 Regulator may accept WHS undertakings

(1) The regulator may accept a written undertaking (a *WHS undertaking*) given by a person in connection with a matter relating to a contravention or alleged contravention by the person of this Act.

Note
Section 230(3) requires the regulator to publish guidelines in relation to the acceptance of WHS undertakings.

(2) A WHS undertaking cannot be accepted for a contravention or alleged contravention that is a Category 1 offence.

(3) The giving of a WHS undertaking does not constitute an admission of guilt by the person giving it in relation to the contravention or alleged contravention to which the undertaking relates.

217 Notice of decision and reasons for decision

(1) The regulator must give the person seeking to make a WHS undertaking written notice of the regulator's decision to accept or reject the WHS undertaking and of the reasons for the decision.

(2) The regulator must publish, on the regulator's website, notice of a decision to accept a WHS undertaking and the reasons for that decision.

219 Compliance with WHS undertaking

A person must not contravene a WHS undertaking made by that person that is in effect.

Maximum penalty:

In the case of an individual—$50 000.

(a) an order directing the person to comply with the undertaking;

(b) an order discharging the undertaking.

(3) In addition to the orders referred to in subsection (2), the court may make any other order that the court considers appropriate in the circumstances, including orders directing the person to pay to the [State]:

(a) the costs of the proceedings; and

(b) the reasonable costs of the regulator in monitoring compliance with the WHS undertaking in the future.

Note

See the jurisdictional note in the Appendix.
(4) Nothing in this section prevents proceedings being brought for the contravention or alleged contravention of this Act to which the WHS undertaking relates.

Note
Section 222 specifies circumstances affecting proceedings for a contravention for which a WHS undertaking has been given.

221 Withdrawal or variation of WHS undertaking

(1) A person who has made a WHS undertaking may at any time, with the written agreement of the regulator:

(a) withdraw the undertaking; or

(b) vary the undertaking.

(2) However, the provisions of the undertaking cannot be varied to provide for a different alleged contravention of the Act.

(3) The regulator must publish, on the regulator's website, notice of the withdrawal or variation of a WHS undertaking.

222 Proceeding for alleged contravention

Division 2 Internal review

224 Application for internal review

(1) An eligible person in relation to a reviewable decision, other than a decision made by the regulator or a delegate of the regulator, may apply to the regulator for review (an internal review) of the decision within:

(a) the prescribed time after the day on which the decision first came to the eligible person's notice; or

(b) such longer period as the regulator allows.

(2) The application must be made in the manner and form required by the regulator.
(3) For the purposes of this section, the *prescribed time* is:

(a) in the case of a decision to issue an improvement notice, the period specified in the notice for compliance with the notice or 14 days, whichever is the lesser; and

(b) in any other case, 14 days.

225 **Internal reviewer**

(1) The regulator may appoint a person or body to review decisions on applications under this Division.

(2) The person who made the decision cannot be an internal reviewer in relation to that decision.

(2) The decision may be:

(a) to confirm or vary the reviewable decision; or

(b) to set aside the reviewable decision and substitute another decision that the internal reviewer considers appropriate.

(3) If the internal reviewer seeks further information from the applicant, the 14-day period ceases to run until the applicant provides the information to the internal reviewer.

(4) The applicant must provide the further information within the time (being not less than 7 days) specified by the internal reviewer in the request for information.
(5) If the applicant does not provide the further information within the required time, the decision is taken to have been confirmed by the internal reviewer at the end of that time.

(6) If the reviewable decision is not varied or set aside within the 14-day period, the decision is taken to have been confirmed by the internal reviewer.

227 Decision on internal review

As soon as practicable after reviewing the decision, the internal reviewer must give the applicant in writing:

(a) the decision on the internal review; and

(b) the reasons for the decision.

228 Stays of reviewable decisions on internal review

(1) An application for an internal review of a reviewable decision (other than a decision to issue a prohibition notice or a non-disturbance notice) stays the operation of the decision.

(2) If an application is made for an internal review of a decision to issue a prohibition notice or a non-disturbance notice, the reviewer may stay the operation of the decision.

(3) The reviewer may make the decision to stay the operation of a decision on the reviewer's own initiative or on the application of the applicant for review.

(4) The reviewer must make a decision on an application for a stay within 1 working day after the reviewer receives the application.

(5) If the reviewer has not made a decision to stay a decision within the time set out in subsection (4), the reviewer is taken to have made a decision to grant a stay.

(1) Subject to subsection (4), proceedings for an offence against this Act may only be brought by:
   (a) the regulator; or
   (b) an inspector with the written authorisation of the regulator (either generally or in a particular case).

(2) An authorisation under subsection (1)(b) is sufficient authority to continue proceedings in any case where the court amends the charge, warrant or summons.

(3) The regulator must issue, and publish on the regulator's website, general guidelines for or in relation to:
   (a) the prosecution of offences under this Act; and
   (b) the acceptance of WHS undertakings under this Act.

(4) Nothing in this section affects the ability of the Director of Public Prosecutions to bring proceedings for an offence against this Act.

Note
See the jurisdictional notes in the Appendix.

231 Procedure if prosecution is not brought

(1) If:
   (a) a person reasonably considers that the occurrence of an act, matter or thing constitutes a Category 1 offence or a Category 2 offence; and
(b) no prosecution has been brought in relation to the occurrence of the act, matter or thing after 6 months but not later than 12 months after that occurrence,

the person may make a written request to the regulator that a prosecution be brought.

(2) Within 3 months after the regulator receives a request the regulator must:

(a) advise the person (in writing):

(i) whether the investigation is complete; and

(ii) if the investigation is complete, whether a prosecution has been or will be brought or give reasons why a prosecution will not be brought; and

(b) advise the person who the applicant believes committed the offence of the application and of the matters set out in paragraph (a).

(3) If the regulator advises the person that a prosecution for a Category 1 or Category 2 offence will not be brought, the regulator must:

(a) advise the person that the person may ask the regulator to refer the matter to the Director of Public Prosecutions for consideration; and

(b) if the person makes a written request to the regulator to do so, refer the matter to the Director of Public Prosecutions within 1 month of the request.

(4) The Director of Public Prosecutions must consider the matter and advise (in writing) the regulator within 1 month as to whether the Director considers that a prosecution should be brought.
(5) The regulator must ensure a copy of the advice is given to:

(a) the person who made the request; and

(b) the person who the applicant believes committed the offence.

(6) If the regulator declines to follow the advice of the Director of Public Prosecutions to bring proceedings, the regulator must give written reasons for the decision to any person to whom a copy of the advice is given under subsection (5).

Note
See the jurisdictional note in the Appendix.

232 Limitation period for prosecutions

(1) Proceedings for an offence against this Act may be brought within the latest of the following periods to occur:

(a) within 2 years after the offence first comes to the notice of the regulator;

(b) within 1 year after a coronial report was made or a coronial inquiry or inquest ended, if it appeared from the report or the proceedings at the inquiry or inquest that an offence had been committed against this Act;

(c) if a WHS undertaking has been given in relation to the offence, within 6 months after:

(i) the WHS undertaking is contravened; or

(ii) it comes to the notice of the regulator that the WHS undertaking has been contravened; or
(iii) the regulator has agreed under section 221 to the withdrawal of the WHS undertaking.

Note
See the jurisdictional note in the Appendix.

233 Multiple contraventions of health and safety duty provision

(1) Two or more contraventions of a health and safety duty provision by a person that arise out of the same factual circumstances may be charged as a single offence or as separate offences.

(2) This section does not authorise contraventions of 2 or more health and safety duty provisions to be charged as a single offence.

(3) A single penalty only may be imposed in relation to 2 or more contraventions of a health and safety duty provision that are charged as a single offence.

(2) The court may make an adverse publicity order on its own initiative or on the application of the person prosecuting the offence.

(3) If the offender fails to give evidence to the regulator in accordance with subsection (1)(b), the regulator, or a person authorised in writing by the regulator, may take the action or actions specified in the order.
(4) However, if:
   
   (a) the offender gives evidence to the regulator in accordance with subsection (1)(b); and
   
   (b) despite that evidence, the regulator is not satisfied that the offender has taken the action or actions specified in the order in accordance with the order,

   the regulator may apply to the [designated court] for an order authorising the regulator, or a person authorised in writing by the regulator, to take the action or actions.

(5) If the regulator or a person authorised in writing by the regulator takes an action or actions in accordance with subsection (3) or an order under subsection (4), the regulator is entitled to recover from the offender, by action in a court of competent jurisdiction, an amount in relation to the reasonable expenses of taking the action or actions as a debt due to the regulator.

(2) A court-ordered WHS undertaking must specify the following conditions:

(a) that the offender appears before the court if called on to do so during the period of the adjournment and, if the court so specifies, at the time to which the further hearing is adjourned;

(b) that the offender does not commit, during the period of the adjournment, any offence against this Act;

(c) that the offender observes any special conditions imposed by the court.

(3) An offender who has given a court-ordered WHS undertaking under this section may be called on to appear before the court by order of the court.

Jurisdictions may also specify classes of persons who are to be taken to be carrying out work for a business or undertaking and persons who are to be taken to be the employer of specified classes of persons. For example the classes of persons specified by a jurisdiction may include police officers, defence force members and cadets (in the case of the Commonwealth), statutory office holders and members of statutory or public authorities. Each jurisdiction may vary section 7(2)(b) as necessary for consistency with jurisdictional police laws (for example, to limit the application of section 7(2)(b) in jurisdictions where police are taken always to be on duty).</td>

<td>Each jurisdiction will, if necessary, enact a provision to ensure that the Crown in right of the jurisdiction and also in all its other capacities is bound by the model provisions. For example, the Australian Capital Territory can omit this provision because of the effect of section 121 of its <em>Legislation Act 2001</em>. Some jurisdictions may need to refer to the State rather than the Crown throughout the Bill.</td>

<td>Each jurisdiction may insert a local provision relating to extraterritorial application including the extraterritorial reach of offences.</td>
</tr>
<tr>

<td>Each jurisdiction may insert local provisions to establish the relationship between the model provisions and other Acts in the jurisdiction. The Commonwealth will need to deal with the operation of Commonwealth and State and Territory laws, see for example section 4 of the <em>Occupational Health and Safety Act 1991</em> of the Commonwealth. The Commonwealth may need to draft provisions to deal with matters relating to national security, defence and federal police operation, see for example sections 6 to 8 of the <em>Occupational Health and Safety Act 1991</em> of the Commonwealth.</td>

| 156     | A jurisdiction will need to include local provisions to ensure that appropriate arrangements are made for the appointment as an inspector of a person who is an inspector under a corresponding WHS law. A jurisdiction may need to include local provisions to ensure that the dual appointments are made in a manner consistent with any applicable public service laws. For example, section 51 of the Occupational Health and Safety Act 1991 of the Commonwealth. A jurisdiction may replace the term public servant with the corresponding or appropriate term used in the jurisdiction. |</p>

(a) a decision under section 134 to refuse to issue a WHS permit;  
(b) a decision under section 140 to revoke, suspend or take other action in relation to a WHS entry permit.

A jurisdiction may provide for the nature and scope of the external review and the powers that may be exercised by the external review body in relation to an external review if this is not provided for in other laws. An external review is intended to be a merits review and the external review body is to be able to affirm or overturn the decision reviewed or to substitute its own decision for that decision.  
An external review body is intended to be able to stay the decision that is the subject of the external review pending the decision on the external review. |
| 230     | In relation to section 230(1), a jurisdiction may add other public officials who hold a relevant public office or administer this Act to bring proceedings for an offence against this Act, with the written authorisation of the regulator.  
In relation to section 230(4), amendments may be necessary in some jurisdictions to ensure that this provision does not conflict with arrangements under other legislation in that jurisdiction.

Additional jurisdictional notes | The Commonwealth will make appropriate amendments to set out the intended area of coverage of the Model Bill. The existing Commonwealth Act applies to Commonwealth departments and agencies, Commonwealth authorities and certain licensees and their employees and contractors.
Jurisdictions will use numbering that is harmonised with the Model Bill. Some jurisdictions may need to omit or add provisions to give effect to jurisdictional notes. If a provision is omitted, the jurisdiction will leave a gap in the numbering. If a provision is added an alphanumeric number will be used. eg 29A, 29B.

The Commonwealth or any other jurisdiction may specify, where necessary, whether a provision of the Model Bill is legislative or non-legislative in character.

A jurisdiction will adjust the penalty provisions in the Model Bill to fit the manner of creating offences in its jurisdiction e.g. use of "penalty" rather than "maximum penalty".

Jurisdictions may include subsections (or include a general statement provision in the Bill) clarifying where all or part of an offence attracts strict liability or absolute liability.

A jurisdiction may need to make adjustments to accommodate the procedures and rules in its jurisdiction for bringing proceedings in relation to unincorporated associations and partnerships.

Jurisdictions will designate the relevant courts and tribunals and specify the relevant jurisdiction in relation to any matter conferred on a court or tribunal under any provision of the Model Bill and make any necessary consequential amendments including the amendment or addition of definitions.
The Commonwealth may disapply section 4AB of the **Crimes Act 1914** of the Commonwealth to ensure uniformity with the monetary penalties in this Act.

The Commonwealth may disapply section 4K of the **Crimes Act 1914** of the Commonwealth in relation to offences under sections 75 and 149.

The Commonwealth and any other jurisdiction may include provisions in Division 3 of Part 9 to deal with the operation and seizure of electronic equipment during an entry and search of a place.

The Commonwealth may define Fair Work Australia as a relevant tribunal or the purposes of this Act.
